Re: LSA Document #18-201 / Economic Impact Statement

Mr. Guedel,

Pursuant to Indiana Code 4-22, as the Small Business Ombudsman, I have reviewed the economic impact analysis for small business associated with the rule changes contained in LSA Document #18-201 proposed by the Indiana Department of Homeland Security.

Based on my assessment as the Small Business Ombudsman, I have concluded that this proposed rule will add very minimal reporting and filing requirements. There will be no additional cost associated with the new administrative requirements.

The economic impact statement prepared by Indiana Department of Homeland Security states, "It is estimated that the new requirements of this proposed rule will not create an economic impact on any small business."

Based upon this statement and review, the Small Business Ombudsman supports the proposed rule related to the economic impact to small business if the Indiana Department of Homeland Security conclusion reflects the actual result after promulgation. If you have any questions about these comments, please contact me at [KColclazier@iedc.IN.gov](mailto:KColclazier@iedc.IN.gov).

Sincerely,

Katelyn Colclazier  
Small Business Ombudsman
